About Me: I am currently a junior studying advertising. My favorite snack is brie and pepper jelly on crackers, and I love to eat it while watching soccer matches and movies.

Memorable Learning Experience: My favorite class has been my acting for camera class. It is interesting to learn about acting and the ins and outs of the hiring process of actors.

Current Activities: I am a member of the Delta Chi fraternity on campus. We participate in numerous service activities such as Make a Difference Day. Outside of class, I spend the majority of my time hanging out with friends and exploring Milwaukee by bicycle.

Thank You: Thank you so much for making my Marquette experience possible. It means a lot to both me and my family that someone I do not know would share their generosity with me. One day, I hope to be able to do the same as you and share my sense of Marquette pride with another student. Thank you.
