

Protecting your privacy:

Please be advised that the information you self-report on this page may be shared with scholarship benefactors. We will not release any information about your class schedule, grades, grade point average, academic standing or the amount of your scholarship through the Scholarship Thank You Program. Only information that you provide on this page will be communicated to your scholarship benefactor. (We will not share your email address, cell phone number or MUID.) We will send your letter to your scholarship benefactor (or benefactors if you received multiple awards), along with letters from other recipients of the scholarship. Your completion of this form and participation in the program authorizes Marquette University to release this limited information to this specific audience.

Please note: Your name and photograph will be shared with your scholarship donor. If you'd like us to use a photograph other than your ID photo, please email Donor Relations at donorrelations@marquette.edu.
