

MARQUETTE
UNIVERSITY

BE THE DIFFERENCE.

SUPPORT THE ANNUAL FUND

Be The Difference *students need now.*

*“Without your help,
I would not be here
at Marquette. I
cannot describe in
words how much
your contributions
have changed my
life for the better.”*

MAYA, Opus College of
Engineering

With a gift to The Annual Fund, you reflect your belief in Marquette and our students.

Walk with students on their Marquette journeys by committing to Annual Fund support over five years, empowering us to recruit and retain talented aspiring students and support them through graduation to their paths beyond.

You can be the answer for those who are hoping for a little help to pursue their dreams.

Support for The Annual Fund is Marquette’s highest priority. Your generosity has power to immediately change student lives, with funds distributed in the same fiscal year as your gift or annual pledge. It also allows Marquette to be nimble by responding to student, faculty and university needs in real time. The Annual Fund consists of both the Marquette Fund and our Scholars Funds, so a gift to either supports this priority.

The Marquette Fund **Unrestricted gifts. Unlimited dreams.**

Supporting the Marquette Fund through an unrestricted gift of any size helps fuel dreams for our students and the university by providing flexibility to enhance the student experience, bolster faculty and research resources, address key needs, protect the downside of risk and seize opportunities to advance Marquette’s distinctive world-class education. A strong Marquette Fund ensures a strong Marquette.

Scholars Funds **Immediately provide scholarship support for students.**

Empowering access to higher education is part of our founding mission. By supporting the Scholars Funds — or unrestricted, current-use scholarship — you are opening doors for students and their families through a gift that can have immediate impact in the current academic year. Supporting the Scholars Funds aligns with elevated enrollment strategies for the university. You may support our Scholars Funds in any of our colleges or for students across all colleges.
